<b>SUPPLEMENTAL</b>		Docket Number (Optional) P 0555.10023	
<b>REISSUE APPLICATION DECLARATION BY THE ASSIGNEE</b>			
At least one error upon which reissue is based is described as follows: Applicant believes the original patent to be partly inoperative or invalid by reason of the patentee claiming more or less than patentee has the right to claim in the patent.  Every error in the patent which was corrected in the present reissue application, and which is not covered by the prior oath(s) and/or declaration(s) submitted in this application, arose without any deceptive intention on the part of the applicant.

Assignee: Key Knife, Inc.  
19100 SW 125th Court  
Tualatin, OR 97062

Whereas I, the above-identified inventor am a co-inventor of an invention entitled IMPROVED KNIFE HOLDER FOR A CHIPPER DISC for which I executed a patent application for United States letters patent on even date herewith;

And, whereas I desire to assign my entire right, title and interest in and to said invention to the above-identified Assignee, and whereas said Assignee desires to acquire all of my right, title and interest in and to said invention;

Now, this indenture witnesseth, that for the sum of one dollar (\$1.00), and other good and valuable consideration, the receipt whereof is hereby acknowledged;

I hereby assign, sell and transfer my entire right, title and interest in and to said invention in the United States and in any foreign country, said application including any divisions, continuations, continuations-in-part and applications claiming foreign priority based thereon, and any letters patent to be issued therefor in the United States and any foreign country, including any reissues or extensions that may be made or granted thereon, unto said Assignee;

And I hereby authorize and request the Commissioner of Patents and Trademarks to issue said United States Letters Patent to said Assignee, as assignee of the whole right, title and interest thereto;

And I further agree to execute all necessary and lawful future documents, including assignments in favor of Assignee, or its designees as Assignee or its Assignees may from time-to-time present to me in order to perfect title in said Invention, modifications, and improvements in said Invention, applications and Letters Patent of the United States and countries foreign thereto;

And I further agree to sign and properly execute such necessary and lawful papers for application for foreign patents for filing divisions, continuations and continuations-in-part of said application for patent, and/or, for obtaining any reissue or reissues of any Letters Patent which may be granted for my aforesaid Invention, as the Assignee thereof shall hereafter require and prepare at its own expense.
